**Course Outline/Topics to be Covered**

Training includes live lecture time, hands on lab work, with video support, leading to a real life internship. The training concentration follows the requirements and knowledge needed to do well on the RI Health Department State Exam to be a Certified Nursing Assistant.

Prior to graduation, related industry certifications from the American Heart Association in CPR - Cardiopulmonary Resuscitation and BLS - Basic Life Skills. These 2 add-on certification are included and looked upon positively by waiting employers.

All trainees must be able to read, speak and understand English. Qualified Limited English Speakers (LES), are able to take advantage of HiTEP Spanish Support.

Basic Nursing skills, objective and subjective observation and reporting, resident's rights, Alzheimer's and dementia care, vital signs, basic rehabilitative services, personal care skills, safety, emergency procedures, medical abbreviations and professional verbiage are covered.

The mission of the HiTEP Prep Program is to provide a complete preparation for this in demand industry.
